

CHEMPACK Seminar and Tabletop Exercise

LOCATION:

Truckee Airport Terminal,
Community Room A,
10356 Truckee Airport Rd,
Truckee, CA

DATE & TIME:

Monday, June 4, 2018,
13:00 p.m. – 16:00 p.m.

This FREE event will provide training for all first responders, public safety personnel, hospital emergency department staff, and public health professionals who may be involved in responding to a multi-casualty incident involving a nerve agent in their community.

Participation will help to ensure an effective and coordinated response to a potential emergency requiring the deployment of CHEMPACK assets in the Northern California and Nevada State border communities.

If confronted with a nerve agent incident, do you know what a CHEMPACK is, or how to deploy it?

This course has been approved for 3 hours of EMS CE's by the SSV-EMS Agency (CA EMS Provider #65-0001)

This course has been approved for 3 RN Contact hours by the SSV-EMS Agency (CA BRN, Provider #CEP 13396)

Attendees will be able to:

- Quickly recognize nerve agent exposure
- Describe the CHEMPACK Program
- Recognize when to request CHEMPACK assets
- Learn how to use a CHEMPACK during an MCI
- Understand CHEMPACK deployment options

Coordinated by the
California Nevada Border Counties Workgroup.
