

## MEMORANDUM

**To:** Emergency Medical Services Constituency Groups & Interested Parties

**From:** Carl Lindberg Memorial Scholarship Committee

**Date:** January 24, 2008

**Subject:** Scholarship Applications and Information

---

Since the 1970s, Nor-Cal EMS has awarded Carl Lindberg Memorial Scholarships to many outstanding members of the EMS community, helping make it possible to obtain costly advanced training. We are pleased to announce that scholarships will once again be awarded to persons in the region seeking training to become an EMT-I, EMT-II, Paramedic, or Mobile Intensive Care Nurse. We anticipate awarding two or three scholarships per year.

Although the dollar amount is not yet set, each scholarship is typically between \$150 and \$250. The funds may be used to help defray the costs of tuition, books, supplies, travel for class and internships, and other related expenses.

The complete information and the application form are available on the next three pages. This package may be downloaded from [www.norcalems.org](http://www.norcalems.org). Those without Internet access may contact our office to have these faxed or mailed to them. Those interested in receiving one of these scholarships must return a completed application no later than the first Friday in March of each year.

For more information, contact the Nor-Cal EMS office.

We look forward to recognizing more of the very special men and women who contribute so much to quality emergency care in northeastern California, and appreciate your support.

For those who might like to contribute to the scholarship fund, a donation form is included with this package.

Thank you.

## **Carl Lindberg Memorial Scholarship**

### **Application Requirements**

1. The applicant must be an employee or volunteer of a rural EMS organization (i.e. ambulance, fire rescue, or hospital)
2. The applicant must be a resident of a county contracting with Northern California EMS
3. The applicant must demonstrate a need for financial assistance in continuing his or her education in a field related to rural emergency care
4. The applicant must provide three letters of reference
5. A photograph is requested with each application submitted
6. The applicant must agree to an interview by the selection committee after screening of applications
7. The applicant must be enrolled in, accepted to, or actively pursuing acceptance to an EMT-I, EMT-II, Paramedic, or MICN course.

**Applications must be received by Nor-Cal EMS no later than 5:00 P.M.  
The first Friday in March**

## The Carl Lindberg Memorial Scholarship

*Benefiting those in the Nor-Cal EMS area expanding their EMS skills*

The Carl Lindberg Memorial Scholarship fund was established in the 1970's in honor of the first Executive Director of the Northern California EMS agency. Scholarships are awarded annually to members of the Nor-Cal EMS system who are pursuing studies as EMT-I's EMT-II's, Paramedics, or Mobile Intensive Care Nurses. Recipients must live in a county contracting with Nor-Cal EMS.

Recipients typically have made exceptional contributions and personal sacrifices in the EMS field for many years, often as volunteers. The scholarships are used to help defray the costs of tuition, books, and the extensive travel often necessary to complete advanced training and internships. In many cases, these people receive no other financial assistance or compensation.

Scholarships are funded by investment dividends paid each year on the scholarship fund. All contributions go directly to help provide more substantial and numerous awards to this extraordinarily deserving group of men and women. Because contributions are added to the fund's principal, each will continue to support improved emergency medical care in northeastern California for years to come.

The scholarship fund is administered by Northern California EMS, Inc., a 501(c)(3) nonprofit public benefit corporation. Gifts to the fund can be made by donations to the "Carl Lindberg Memorial Scholarship c/o NOR-CAL EMS" at 43 Hilltop Dr., Redding, CA. 96003. All contributions are tax deductible.
