930 Executive Way Suite 150, Redding, CA 96002-0635  
Phone: (530) 229-3979 Fax: (530) 229-3984

I am pleased to announce four new part time staff members to the Nor-Cal EMS team. Three of the staff members will be a part of the clinical department with the fourth working in accounting.

If you have clinical questions, please call the Nor-Cal EMS office at 530-229-3979 or email your question(s) to [mail@norcalems.org](mailto:mail@norcalems.org). We will then route your call or email to the appropriate clinical member.

I am happy to introduce the following highly recommended individuals to our agency:

### **Steven Dillon, Accounting / Office Assistant**

Steven worked at Nor-Cal EMS as an Intern while attending Simpson College University. He is one class away from earning his Bachelor's Degree in both Accounting and in Business Administration. Steven will be an asset to the agency and we look forward to continue working with him.

### **Nick Entsminger, EMS Specialist / AMAC**

Nick began his career as an EMT then became a Paramedic and currently is an Emergency Physician Assistant. He has a Master in Medical Science and is in the process of completing his Doctor of Medical Science w/Emphasis in Clinical Leadership. He is an accomplished writer, has many years of teaching experience, has received several Honors Designations, is a Governing Board Member of an Elementary School, has a high level of leadership experience and has been highly recommended by his colleagues.

We are happy to introduce Nick Entsminger as our new EMS Specialist / AMAC.

### **Jennifer McGuire, Clinical Coordinator**

Nor-Cal EMS has worked with Jenni through her involvement as an EMT, EMS Officer, Firefighter and Engineer with Plumas Eureka Fire Department.

Jenni has a Master's Degree in Fine Arts, English. She has contributed to Nor-Cal EMS throughout the past years in creating the first Nor-Cal EMS approved on-line training courses. There are many students in the Nor-Cal region that have been able to certify or recertify from these on-line courses. Her expertise in teaching in person and through on-line courses will be invaluable to the Nor-Cal region.

Jenni is intelligent, approachable, pleasant, organized and efficient.

We are happy to introduce Jenni McGuire as our new Clinical Coordinator.

### **Mark Thomas, EMS Specialist / MAC**

Mark has been highly recommend to us as an excellent Paramedic. He has been a Paramedic since 2001 and has held positions as Field Care Officer, Operations Supervisor, Instructor and Preceptor. He is currently in pursuit of his Bachelor's Degree in Health Care Administration.

Mark's experience along with extensive CQI/QA skills will be beneficial to the region. Mark is driven and works collaboratively between Public, Private and political interests. He will be an excellent leader for the Medical Advisory Committee. He has a desire for continued growth in his career and learning which is a great asset to the EMS Specialist / MAC position.

Sincerely,

Donna Stone

Chief Executive Officer
